QR Code Link to This Post Hello, I'm sadly rehoming my dog. He's approximately 9-10 months. I have a rough new schedule and I just don't have the time to spend with him and meet his high demand anymore. His name is Jax, he's had his 3 shots for the year I just misplace the papers when I moved, and he was fixed on then 22 of November. He's very entergeitic and needs a back yard (which I no longer have) small rehoming fee for his cage which is huge. Lives with a cat and my roommates dog so he's cat friendly, and dog friendly. I want him to go to a good home. Thanks for looking
