QR Code Link to This Post I am a single, 70-year old gentleman living in Allston. I am legally blind.

I am seeking a female companion for movies and theater events. I don't drive and I am finding it very difficult to make friends in my neighborhood because most of my neighbors are college students.

I am seeking a female companion who is:

1. Single or divorced.
2. Lives in or near Allston.
3. Is available most evenings for movies and theater events.
4. Has a cell phone.
5. Might be willing to be a sighted guide for me, although this is not required.
6. Is willing to travel by public transportation.
7. Does not smoke or use drugs.

Please note that this is not a paid position.

If you would like to speak with me, please include your phone number with your reply.
