QR Code Link to This Post Re-home 1 toy size dachshund (11yrs black&bronw) and 1 full size dachshund (4 yrs) brown, our daughter school schedule has gotten more intense, and dogs spend to much time in their crate, they are crate trained and house broken, they are both males and are not neutered, they will need to stay together (they are attached to each-other), will require a small re-homing fee of \$50.

Only serious people looking for loving.
