Greater Cincinnati Area

Its this easy:

- 1) Email me a list of textbook names and ISBN numbers
- 2) Ill send you my best cash offer
- 3) Ill meet you locally with the cash

I am paying top dollar for college textbooks. I typically offer values much higher than the bookstores. Typically the more current the book the higher value it has so if you just finished a semester or have a few sitting around you should act quickly as the value often deteriorates over time.

Its this simple, just send me a list of the textbooks you would like to sell (name and ISBN number) via email and Ill provide you with a cash price offer. I offer more money for multiple books so please send me a list of everything you have even if you went to school several years ago and still have them laying around.

EMAIL OR TEXT 513-340-57one7

Thanks for looking and hope to help you make some extra cash!!!
