A classic mountain lake cabin with boat slip and a front deck with filtered views of Payette lake!

The Huckleberry Haven is a classic Gem among McCall Alpine Cabins! This traditional lake access cabin with boat slip has a front deck with filtered views of the lake, fire pit, snowmobile trailer parking for one large trailer and rig, a woodsy setting and plenty of charm.

This alpine haven sleeps six people with a queen bedroom downstairs and full staircase access to open loft with two twin beds and a recessed, open room with a king bed. Downstairs there is a full bath and second bathroom with shower, living area with picture windows, cozy furnishings and propane heat stove.

Fun, well equipped kitchen. Gather 'round the dining table for a meal or a fun board game, socializing or to relax and glance out the picture window and across the lane at Payette Lake. During the winter you can snowmobile from your yard. Quick access to Warren Wagon Road right up to Burgdorf Hot Springs and beyond!
