

# Frozen Twin Headboard (20 USD)

Location **Missouri**  
<https://www.genclassifieds.com/x-771169-z>

QR Code Link to This Post This is a Disney Frozen Twin Headboard with both Anna and Elsa on it. It has some screw holes on the back for attaching. We used it on a regular twin bed and just rigged it to work...we didn't have the original screws.
