QR Code Link to This Post I'm offering to give anyone intrested in Lending me as a personal loan of either \$5000 or \$10,000 7% monthly interest so 84% annual interest on that so if you can loan me \$10,000 than every month you will make \$700 in interest first of all I'm not some Nigerian scammed lol got that part out of the way im just a 28 year old entrapienar I was born and raised in Mount Prospect I opened my own business 12 years ago literally at 16 I would buy merchandise wholesale and sell it retail at trade shows, flea Markets, Ebay etc I import products now from china what ever is the new fad trend hot item at the moment I mostly do wholesale I have a good size customer base and an excellent reputation since I'm always honest with the wholesale customers Regarding a products performance meaning if the profruct is selling well or not and if the quality is good by me being honest and selling them items that they can Sell a lot faster and easier than others what ever is popular as what's good for them is good for me when they sell out they call me to purchase more so It would be stupid to loose a long term customer by selling them a product that's not popular or defective so I make sure to research every item to ensure they will preform well before I purchase containers from china or air ship merchandise here right now with this being the holidays i have a lot of money tied up right now since its Christmas time which is my busiest time I have customers who want to place orders and put down deposits but I don't have the capital at the momernt so if your intrested in investing some of your money I am offering 7% monthly interest on every Dollar you loan and we will go to a lawyer to have them draft up a couple legal contracts listing the terms and notidize i own a \$250,000 condo paid off and brand new Hyundai Sonata 2018 So I do have collateral to put up against the loan so your protected if this is something your i intrested in and out in a position where you have Access to 10k in liquid assets message me let's talk remember he who hesitates is often lost he who speculates accumulates if you want to put your money to work and make a nice size return I mean 84% annual interest on your money.
 Thanks hope to year.
