This property is located between Loop Town, River Street and the Loop. It's an urban neighborhood of Street Level perfect for a mix of business and leisure by night. Live here and take advantage of being steps away from Whole Foods and Target on the one hand, and the Museum of Contemporary Art and Navy Pier on the other. The area does a wonderful job merging the everyday luxuries we all crave with art, culture and the beach. The building boasts a sun deck with heated outdoor pool, sauna and spa, as well as gym and 24-hour security door staff, making it a great combination of amenities and location.

Each apartment has efficient appliances, including a dishwasher, window coverings and carpeting, as well as an electronic thermostat and individual heat and air conditioning. Gas, water, sewer and trash are included in the rent.
