Living in a beautiful, modern building with a combination of hardwood and carpet flooring. Starting with the outdoor pool, check and a hot tub, a resident lounge, a host of amenities to enjoy including a fitness center, a pool, a pizza, and a lounge with a television. If you're looking for more, take a look at the pool and work out in the gym, or just relax on the pool deck, or lounge on the pool deck. The building is 100% pet friendly and has a 24-hour security door staff.

Unlike some older buildings on the north side of the city, this building offers in-unit washer and dryer in every apartment home, hardwood flooring and stainless steel appliances. Floor-to-ceiling energy-efficient windows, abundant closet space, and balconies in select floor plans make it the perfect place to call home.

Parking is available on-site at an additional charge. Cats are accepted throughout and dogs are welcome on select floors (dog breed restrictions apply, but there is no weight limit).
