QR Code Link to This Post I have recently become interested in trying to draw a naked male. I am not a creep I promise. I am a 26 year old male. Just have always wanted to try this. I will compensate you for your time.

There will be an unpaid interview before the drawing though to see if we click and if I can work with you. This is because I tried this once a long time ago and the guy was an ass. Then demanded to get paid after I told him it wasn't working. But I am increasing the pay to \$300 for the person who I
