QR Code Link to This Post If you are a dog lover and have some free time to help us find the right, forever, homes for the dogs we have, it would be greatly appreciated! They were rescued from the shelters before being euthanized and we have to find them their loving, forever homes.

If you would post ads on different sites and put up flyers places that dog people would see it, that would be so helpful! These sweet dogs need to be in homes soon! The Rescue is closing.

Please call, if you can help these dogs and know you made a difference in their!
