Where Learning Comes First!

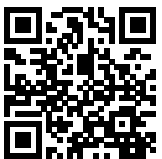

Kiddie College is a state licensed preschool where your child will learn through interactive learning and socialization. Your child will have lots activities to keep them busily learning throughout the day with Circle Time, Art, Math, Science, Language, Writing, Story time, and Outside Play. We also teach Spanish starting in the Toddler Room and teach Baby Sign Language in the Infant and Toddler Rooms. All of this is taught to your child so they are ready when they venture off to Kindergarten. We are now offering Yoga, Soccer, and Music/Dance to all children ages 2 and up at no extra charge.

We have competitive prices with other centers in our area which save you thousands per year. We accept children ages 6 weeks to 5 years old with before and after care up to 12 years old. Kiddie College Preschool is in operation Monday through Friday from 6:30 am to 6:00 pm.

Kiddie College is now accepting State Assistance for child care.

Please visit us at www.kiddiecollege.net, stop by for a tour any time, or call us at .
