Real Estate Education Provider is seeking Independent Marketers to promote their education courses as well as learning about real estate investing. You can earn an extra \$10,000 per month.

This is a two fold position because you can earn while you learn real estate investing. Please reply with your full name,email(not a craigslist email) and cell phone number.

One of our members of our team will text you to set up a 10 minute telephone interview.

Love is, above all, the gift of oneself. Jean
