QR Code Link to This Post Contract Courier Network is currently establishing a contracted courier network with opportunities for drivers in the Seattle an surrounding areas. Cars, Cargo Vans, Box Trucks, and minivans are acceptable for most jobs or routes however, all Independent Contractors are encouraged to complete the form attached to this listing. Contract Courier Network considers all vehicles.

Compensation differs from contract to contract. We are a courier network which finds contracts and loads for couriers. We broker loads and routes for a fee.

Complete the driver profile at www.expeditedcargollc.com/drivers

You will find more information at the above link. Once I have your information, I will reach out to you with details of work that match your capabilities.
