I am looking for someone to take my story(ies) and write it(them) into a screenplay(s). I am a low/no budget director and I will give you co credit for the screenplay(s). If possible, I would love this to be an ongoing arrangement, but that's up to you. You should:

- #1. enjoy writing.
- #2. have the time to do it.
- #3. be excellent in reading and writing.
- #4. be able to correspond with me during the process.
- #5. enjoy watching movies, drama, horror, suspense, romance, etc.
- #6. have read more than 10 books.
- #7. have an imagination.

Please respond with your name and a contact number. If this ad is up, I am still looking. I will not respond if you email me asking if I'm still looking. Thanks for the interest. Don't wait, I only need one.
