QR Code Link to This Post I'm selling a pair of almost-new EV ELX-112 monitors. I've used them for a few band practices and to play music at a wedding once, but they are in like-new condition. \$600 a pair new, I'm selling the pair for 450. These speakers sound amazing for the price. I was powering them with a QSC USA-900 power amp which is also for sale.
