QR Code Link to This Post I have a medium stainless steel bird cage in perfect shape and has all the piece (except for the food dishes) the cage sets on four wheels for easy moving. Great for small to medium birds, I bought this off line and paid over \$250 for it I would like to have it gone ASAP and I'm asking \$100 the cage OBO... I've recently upgrade my bird to a larger cage and need the space for it ,,,"PICK UP IN GALLATIN

Pictures are of the cage outside and indoor lighting..... Any questions please send me a text
