QR Code Link to This Post My name is Destiny and I'm 18 years of age. I just recently moved back home from college and am currently seeking work. I have experience caring for children through previous babysitting jobs for the past three years. I've also assisted my mom in the past with her home daycare services. I enjoy caring for children and teaching them the basics to prepare for school. I currently do not own a vehicle but can be dropped off at your home or can watch your child in my home. My current hours of availability are 7:00 a.m. to 6:00 p.m. Monday-Friday, date nights, special occasions, and some weekends. I charge \$8/hr for one child, \$10/hr for two children; cannot watch more than two children at once. If interested please contact me as soon as.
