***SHERPA Pet Carrier, SMALL, 14 inches long x 10 inches wide x 9.5 inches high - \$28

Like new! Perfect for traveling in style and comfort by plane, car, for an adventure or just a trip to the vet

Features include mesh windows for ventilation; top and side entry with locking zippers for safety; padded carrying strap; hook-on pull strap included; A machine-washable faux lambskin liner; Durable nylon construction; patented spring wire frame; rear pocket for convenient storage; approved for use on most airlines; black with black trim

***Petmate Soft Sided Pet Kennel Cab & Carrier - \$20

2-door design for both top and front loading, mesh walls to promote healthy air flow, a convenient carrying handle and comfortable shoulder strap. Soft Sided Kennel is made of durable material with PVC backing. The exterior rear pocket allows you to bring all your pet's essentials. Good for cats and small dogs; DIMENSIONS: 16" Long x 11" Wide x 10.5" High; Clear pocket on top for ID tag; Removable soft washable black cover over firm plastic-coated board on the inside bottom; Carry with two handles or the shoulder strap; one plastic "foot" on the bottom missing, but does NOT impact function.

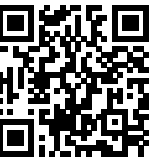

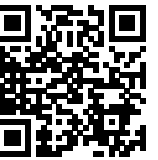

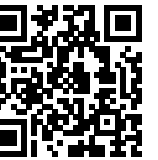

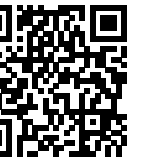

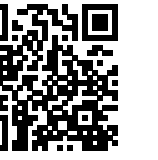

**PET CARRIER with Wheels, Telescoping Handle, Backpack Straps, Black - \$55

(What looks like white mark on item in third picture is reflection of inside hook)

Rolling Carrier can be used in a variety of ways when traveling with your pet; Lay it on its back to use as a sleeper den; Can be used as a wheeled carrier or a backpack; For indoor/outdoor use; Features front and top-loading zippered mesh doors

OVERALL DIMENSIONS: 13" long (across back) x 12" w (front to back) x 21" H (fm floor); Features shoulder straps, top carry handle, and telescoping pull handle for a variety of options; Two back wheels; Black Nylon; 2 zipping side pockets for leash storage and more; Backpack adjusting straps have some wear. If this feature is desired, can be replaced.
