QR Code Link to This Post We are a singer, guitarist, and bassist looking for a drummer to complete the band. We are basically a rock band, but more on the alternative side of the spectrum. We aren't ageist, nor are we the fashion police. We don't need you to be Neil Peart or Dave Grohl, but please have good timing. We don't have a set rehearsal space or time. We will work that out democratically when we complete the lineup. Please email me, and I will send you some songs and/or links to videos.

Thank
