QR Code Link to This Post Laugh it up with 2 Roosters and a Chic...and sometimes a pooch, as they poke fun at each other and everything else under the tree. It's Thanksgiving fun that includes the true story about the three little pigs. You won't want to miss our November discovery...we find out where Dori keeps her brain.

For best listening experience, use an external speaker system on your computer or use your headset or earbuds...we had technical difficulties with our micro.....phone.....
