QR Code Link to This Post I want to reach out and see if anybody might have or know of a house / room in Santa Cruz or its vicinity.

I'm in my 30s, male from Europe with progressive green lifestyle.

I'm looking for a quiet place, alone or shared with nice people. I'm into dance, yoga, hiking, nature, meditation, stimulating discussions. I eat vegan, have regular sitting practice (I'm long time Vipassana practitioner) and use bicycle for transportation.

These are some of the things me like: sunlight, yard, space, green, garden, wood, floors, peaceful, neighborhood, easy, access, nature ..

I would also consider housesit or petsit for shorter period starting now. Thank you so much for your consideration and passing any leads my way.

In.
