QR Code Link to This Post If you are into Mid Century furnishings, you may already be familiar with the House of RanSu wall hangings. This was a family run business in NYC which hand made wall pictures. They are quite collectible. For sale here is one that measures 18" x 34" and is in excellent condition. This one is entitled "The Hunt". It features three hunters with spears and three animals. It is signed "RanSu" in the lower right corner. Perfect for any Mid Century or Modern Setting. Priced at \$125.00. Shouldn't last long at that price. If interested, please call me at , and we can arrange a time to meet. I will only deal locally on a cash basis, AND I WILL NOT RESPOND TO OUT OF STATE TEXTS ASKING FOR MY EMAIL ADDRESS. I'm located in Lakewood near Wadsworth and Yale. Thanks!!
