QR Code Link to This Post I am 33 years old. I'm looking for someone to help me get back on my feet. If anyone would rent me out a room. I can't pay much this month but starting January I will pay what's reasonable for the room. I just got out of a bad marriage and I have nothing just my two chihuahuas. One is 7lbs and the other is about 5 pounds,both are well behaved and trained. I will cook,clean,and other chores or errands to atleast help in some way. I am asking someone to pay it forward. And when I get back on my feet,I will also help someone tell saw as you helped.
