QR Code Link to This Post We have two 8 week old puppies available for rehoming. They are super friendly and love kids, cats and other dogs. Easy to train. They love treats and are eating solid dog food. We have been using lams large breed puppy food.

The all black one is a male, and the one with the white stripe on her face is a female.
They are a mix of Black Lab and Blue Tick (mom) and Aussie Shepard and Border Collie (dad).

Very lovable and ready to go to their forever home.

Rehoming fee applies. We need these pups gone today, as the landlord is getting a bit impatient and I am leaving town for a bit. If you have a kennel, they are kennel trained and will whine when it is time to go.
