I am an independent body work therapist (this is my recent picture 100%), I specialize in soothing and relaxing body work that will melt away anything on your mind except the massage you will be experiencing from my hands.

Afterwards you will feel like a shiny new person!

I love providing a quality experience that is hard to find, and I expect of my clients that they be of quality as well.

I have a clean and private studio which I work out of with free parking validation.

I only take 1 or 2 clients per day at most, so maybe you will be the lucky one? Give me a call ;-)

Aloha!
Yuri
