QR Code Link to This Post Hello everyone. As the title says im an independent mom and i am in need of a few things. I have no carpet in my home and would love a few area rugs to keep the kids feet a little warmer this winter. Also in desperate need of curtains and curtain rods. And blinds if you have any to spare. Dressors and twin size bed frames any home decor. If you have any unused items and can donate we would greatly appreciate these.
