QR Code Link to This Post I have a presa canario puppy that I am looking to find a family for. Pup is up to date on shots been dewormed an had a well check at our vets an pup will come with vet record. Can be Ukc registered if desired. Great with other dogs an kids, but not sure about cats. There is a rehoming fee as these dogs are not cheap and neither is the vet visits for vaccines. Please call if your interested I can hold until xmas but no longer than that. .
