QR Code Link to This Post Pro caliber guitarist/vocals here looking for a female singer in her mid 20's to late 30's to play live shows with as a duo. I know a ton of covers and have some pretty decent originals to bring to the table as well. Influences would include Tom Petty & Stevie Nicks, The Wreckers, Linda Ronstadt, Sheryl Crow, Little Big Town, Holly Williams, Alison Krauss, The Civil Wars, Lucinda Williams, etc... Would like to play at least 2 or 3 shows a month. Good opportunity here for the lady that wants to get out there and gig. Please respond with name and samples if interested. Thank.
