QR Code Link to This Post It's a Town-house with sky lights near Patapsco Avenue on 4Th Street which is one of the best areas of Brooklyn. The House has 3 Bedrooms and 2 Bathrooms. I own it for the last 11 years. I bought it for \$75,000 in auction, invested about \$15000 to fix it up and it has been a good rental. It has a nice front porch and a great front yard. It needs work and with some initial cleaning-up, one can move in and start living and work on it as it goes. I'll be providing all the required material to turn it to your liking.
