QR Code Link to This Post Cooper is a 2.5 year old collie mix, although he looks more like an Aussimo (aus cattle dog/ America Eskimo) he is a loving dog and is up to date on all vaccines and fixed. He is friendly with kids, other dogs, and strangers. He is laid back if he's the only dog and playful when with others. He is so sweet and I wish I could keep him but I don't have enough time to spend with him. He currently stays in a crate when alone (he likes to go through the trash) so I will include that crate in the fee. He is house trained and knows basic commands.

I am asking a re-homing fee of \$150. This includes the crate (originally \$170) Please reach out with any questions! My number is (910) 639
