QR Code Link to This Post Hi

My family would REALLY love to welcome a puppy into our home. We have kids aged 8 yrs & 15mth. They absolutely love animals and know how to be gentle. I work at home, so he/she wouldn't have to be alone for hours. Any breed will be considered. ((Just 6 mth or under to grow up w/the kids))

We can provide our vets # if you'd like references.

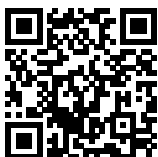

Will pay up to \$100

((FYI: we are keeping up with local shelters and most puppies are adopted asap and we miss out, we are just not comfortable getting an adult that we did not raise, so that is why we are looking here too) again I'm not paying over 100 esp for a mixed breed w/no vet!
