QR Code Link to This Post ***The picture is a of a NEW mold. This is a used one,

Used Vulcan V37.5 earth mover tire section repair mold for sale. I have used this model of mold to repair tires for many, many years. It is a very versatile mold that is no longer sold new from Vulcan. Used parts are still available directly from Vulcan as well and a new High -tech control panel. If you have any questions regarding how to use this mold, I am willing to help out with that as.
