QR Code Link to This Post My friend Christian and I (my name is Sarah) are looking for a few musicians between the ages of 16 and 21 to join our band, we're looking for a bassist, lead guitarist, and possibly a singer who are into Pop Punk/Punk music like Sum 41, Green Day, Neck Deep, State Champs and even a little more grungy-er stuff like Nirvana. We're very dedicated and are hopefully looking to find people who want to eventually tour and make original music. Thank you! Please TEXT me with any questions or if you areðŸ˜Š
