QR Code Link to This Post Mya is 4yrs old and looking for a wonderful rest of her life home. She had spent most of her time outside before I got her. She is now fully crate trained and mostly house trained still needs some work. She is curent on shots and needs to be spayed. She loves sleeping on the bed and needs toys to keep her occupied and out of trouble or she will climb on things like dressers or tables. She lives for car rides but needs a firm person to tell her to sit while riding. She walked ok on a leash but has gotten alot better since we got her. She is ok with other dogs once she gets to know them. NOT mean in any way. NOT good with cats or small animals she will kill them even with correcting. Will occasionally turn a deaf ear.

My only stipulation is that she be spayed and loved..

Free to a good home.
