Please don't say anything rude.... this is really hard for me to do, especially because everyone's life on hear seems so perfect. I recently got out of a shelter. And into my own place, I have 4 kids and barely can do anything for Christmas... I did go through toys for tots they got 2 presents each... if anyone can spare \$10 and help buy one gift please.

Yes I feel like a piece of shit not being able to do much... "I don't even have couches yet!" But they are great kids and if they wake up Christmas morning Im scared they will think they was bad all year... they wasn't and I don't want to tell them the truth about Santa... again this was really really hard... yes I feel like a horrible mom, so please don't say nothing mean
