QR Code Link to This Post We have ongoing relationships with MANY local universities to make bring college out of the classroom. We provide opportunities for apprenticeships and internships in a myriad of arenas including Permaculture, sustainable building and design, landscape design, grant writing, even marketing, sociology, and architecture!

One of our current students is researching and creating a food forest and utilizing plant guilds, others are working on sustainable energy solutions, aquaponic systems, and more yet are building a Korean Style Odorless Natural Pig Farm.

We are a Permaculture farm in Sherwood, and are looking for a few clean, motivated individuals to take themselves to the next level.

We work with at risk youth and veterans with PTSD while serving the community through our locally sponsored food pantry.

Because much of the farm revolves around community outreach, vets, and work with families/children, we do not allow alcohol, tobacco, marijuana, or any other recreational
