QR Code Link to This Post Please note, I am in Glocester RI, NOT Gloucester Mass.

Up for grabs is a used Work Sharp 3000, manual included. Comes with an extra glass wheel for your abrasives. You will need to purchase some new abrasives, as these are used up. The micromesh abrasive still has a lot of life left, as well as the leather honing disc. Only reason I'm selling is because I upgraded to a Tormek water.
