Beautiful full log(massive western pine) cabin that was built in 2000 and a 2.5 stall garage with bunkhouse(2 more bedrooms) that was built in 2015 all sitting in the middle of the prettiest 60 acres of hardwood forest that you have ever seen. Total peace and tranquility as the nearest neighbor is 1/2 mile away and the cabin is over 1/2 mile off of main road. Also, on the property is a 48 x 42 foot airplane hanger that the previous owner would land at and keep his helicopter stored in. The cabin has 3 bedrooms, 1 bathroom, kitchen with cherry cabinets and granite countertops and appliances included, living room with woodstove, huge loft that would make another bedroom and full walkout dry basement with gas stove that is unfinished but would make a great family room(or more bedrooms). All of this, plus a 17K propane powered backup generator, great deer hunting as some huge bucks have been harvested on this property and some of the best smallmouth bass and sturgeon fishing in the U.S. right outside your door and just 3 hours north of Milwaukee in the U. P. of Michigan. This is definitely a one of a kind property and a once in a lifetime find that could be yours! \$150,000 price reduction for quick.
