Just bought a new home and looking for a reliable stable MALE roommate for this 4 bedroom 2 bath home. Rent includes water, electricity, washer and dryer, and trash, and wifi (cable is extra \$20 due to box).

I am a laid back straight divorced childless male in my 30s. I will be living on the first floor and the 3 other bedrooms and 1 full bath is on the second floor. The downstairs bathroom is mine attached to my bedroom. I believe in laying out everything beforehand so everyone knows what is expected to hopefully alleviate any potential issues. As long as you treat others with respect and treat others the way you would like to be treated, we will get along well.

I need a renter who is basically a good person and is easy to get along with and respectful of others like myself. Here are the things I need :

- * \$350 deposit & first months rent before moving in (deposit to be returned as long as rent is up to date and no damages are made)
- * pay rent on time in full before the first of the next month
- * 3 month minimum stay lease

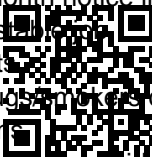

* one month notice in moving out or deposit is forfeited

have smoking
 no pets
 no drugs or alcohol or VAPOR or hard drugs
 no guns
 no one using antidepressants or with a mental illness

overnight guests are ok for two days a week as long as they are respectful of others
 not a ton of guests
 shoes removed at the door (including guests if you prefer not to you can pay \$25 extra rent per month)
 no candles
 no major criminal record, background check will be performed
 responsible with utilities
