QR Code Link to This Post My boyfriend's cat disappeared recently and we know he's not coming back. My boyfriend loved his cat and he really wants another kitten asap. He is an animal lover so the kitten will get a great home. We are looking for a young kitten of about 6 to 8 weeks old. Not looking for purebreds or rehoming fees. If anyone has a litter of kittens who need a good home please let me know. We will come to.
