QR Code Link to This Post Our dog which is a terrier delivered 7 babies in August. One puppies was still born but the other 6 were amazing. We are looking for home for a couple of them. One was a sweet female that has already been adopted out to be a service dogs to help with anxiety. Our other sweet baby we need to find a home for is Roscoe. He is a terrier pit bull mix. He is 4 months old (8/11/17). He is up to date on shots and has a flea regement. We keep him outside because there are 7 dogs total that we have in our family. He loves to be petted and loved on. He also loves to play. He is dog aggressive. But only with his siblings. He has never fought with his mother or our dashound. He has never ever but a person at all. He doesn't even act aggressive with us. He would make a great dog for someone but I can't keep him if he is gonna fight his siblings. I have his shit records, his deworming record as well as what and when his flea medicine was given. Please please only message me with serious inquiries. I will not rehome him to someone who is bad with animals and not gonna take care of him. He deserves at great home and a good.
