QR Code Link to This Post Looking to rehome my spunky hound/collie mix. She turns 2 years old in March, is 48 pounds, spayed and up to date on shots and flea, tick and heartworm preventative. She is good with dogs and kids, but will chase any small animal that runs. Her prey drive is strong and she can jump a 5 foot fence which is why I cannot keep her. She is house-trained, crate trained, knows basic obedience and would learn even more with time and consistency. She is a great running partner and is always ready for an adventure! I will charge a small rehoming fee to weed out those looking for a free pet. Serious inquiries.
