QR Code Link to This Post I'm a 25 year old male college student looking for women ages 18-30 interested in doing a paid foot fetish gig! It's very easy, doesn't involve anything sexual, and you stay fully clothed the entire time. The gig only last 35-40 minutes, and cash payment is received immediately before the session. The only requirement is that you have naturally stinky feet! If you're interested please don't hesitate to reply for more information.!
