

Grow tent. 4 X 8 (150 USD)

Location **Alaska**
<https://www.genclassifieds.com/x-780632-z>

QR Code Link to This Post This tent is perfect for anyone wanting to have a nice indoor garden setup. These tents are designed to have a perfectly controlled environment for the plants without have to modify an entire room to do so. This thing pays for self... that is why I'm not even asking nearly what they cost new.;
