I'm the sweetest little guy you will every meet and my favorite things to do are sitting or sleeping in my human's lap snuggled under a blanket. I can also dance on my hind legs for you. I have big beautiful dark eyes and I look at my human with adoration when sitting in their lap. I like other dogs and older kids, I am probably okay with cats but my current foster home doesn't have any so they don't really know. My big fluffy bed and food and water are in my crate, where I stay when my people are gone. I know to do my business outside and don't have accidents. I enjoy walks outside, too, so I can sniff sniff! I am only 2 years old and weigh only 15 lbs. My foster mom says I am perfect!! I have so much love to give and my biggest wish is to have a family of my very own for Christmas!

Tazmanian Devil is being fostered in the KC area through the non-profit rescue Heartstrings Animal Advocates. If you would love to be his hero, please respond with an introduction about yourself/family. A rehoming fee and application process.
