QR Code Link to This Post I'm a single mother I work everyday and seem to not make ends meet. It seems I'm always playing catch up with every check I make. I was hoping to give my children a Christmas this year or it was the choice of bills paid and a roof over their head or Christmas gifts. I don't want them to suffer from it though going to school and other kids are showing off what they got and mine not having something exciting to show or talk about if u can help it would greatly be appreciated I have 6 boys and 1 girl if u need any info please contact me at thank u
