QR Code Link to This Post looking for a female singer for a dark synth based project. i'm looking for a collaborator, not someone to just sing over pre-produced music. ability to play an instrument is a plus, but not necessary. i'm looking to incorporate elements of minimal synth, coldwave, industrial, noise, doom, deathrock, techno, italo, horror soundtracks, etc.

i have plenty of gear, i just need someone with an interesting voice, a good attitude, and a desire to be
