QR Code Link to This Post Minneapolis Grand is an elegant, chic home base located in the epicenter of Minneapolis' most exciting neighborhood, offering signature design and amenities that set it apart from all other residential choices in Minneapolis. Each apartment is a special destination offering you a home with the classic simplicity and clean chic of a contemporary design aesthetic. Understated and serene, our floor plans boast layouts that are all about light - each a masterfully designed invitation to you to bring your own lifestyle into the space. Amenities include a grand collection of spaces: a large clubhouse area, with business center, bar, kitchen, and an expansive health & wellness fitness center. The breath-taking views of the Minneapolis skyline from our 4th-floor apartment homes are stunning and can only compare to the gorgeous floor to ceiling windows in the first-floor apartments.
