QR Code Link to This Post Are you looking for someone who will THOROUGHLY CLEAN your home or apartment? TIRED OF HAVING TO CLEAN UP BEHIND CLEANING TEAMS who only stay about 1 hour, leaving parts of your home untouched?

Well, look no further! I work alone and stay until your place is cleaned to your satisfaction! My average cleaning time is 4 or 5 hours for 1 1/2 bathrooms and 6 hours for 2 1/2 bathrooms. If you have a very large home with more than 3,000 square feet, I may not be able to clean the whole house in one day. However, you can tell me what your priorities are, such as all the bathrooms, kitchen and floors. I can start there and if any time is left over, I can do other rooms.

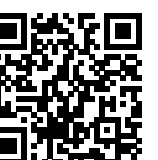

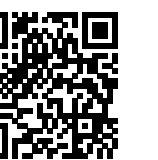

I offer weekly, Bi-Weekly, One-Time, Monthly, Occasionally, and Move-In, Move-Out cleanings. I do residential, and commercial property. I can do almost anything you need done, except I don't make beds (unless you are handicapped or elderly) or do dishes. I use a Kenmore canister vacuum cleaner with a Hepa filter.

Sometimes I am available for LAST MINUTE CLEANINGS or if you can't find someone in time. You can call me the day before, up to 10:00 p.m., to see if I am available the next day. I may also be able to do SAME DAY cleanings, if you call before 12:00 p.m.

Please send me an e-mail me with details of your house or apartment and what you want cleaned. For example, some people have 3 or 4 bathrooms, but only want a few cleaned, especially if they are hardly ever used. I will also need to know the square footage, if you have a house. If you don't know it, send me your address and I will look it up online.

I give FREE ESTIMATES either by E-mail or Phone. If you want me to come to your home first for a quote or interview, I charge \$25.00. If you live close by, I can waive the charge. You can also call me at . Thanks.

I look forward to hearing from you!
